Technical drawing of a rectangular panel. The overall dimensions are 3700 mm in width and 700 mm in height. The panel is divided into three equal sections, each 1165 mm wide. The height is divided into three sections: 50 mm at the top, 600 mm in the middle, and 50 mm at the bottom. The material specifications are indicated by callouts: CA 01 and GL 11. The panel features diagonal hatching in the top and bottom sections of each of the three main sections.

Technical drawing of a window frame. The overall dimensions are 1500 mm in width and 700 mm in height. The inner opening dimensions are 1400 mm in width and 600 mm in height. The frame is composed of two main sections, each with a diagonal hatched pattern. The left section is labeled 'CA 01' and the right section is labeled 'GL 11'. Arrows indicate the direction of the hatching: from top-left to bottom-right for the left section and from top-right to bottom-left for the right section. The frame has a double-paned design with a central mullion. The drawing includes dimension lines and callouts for material specifications.

C3707	描述:	后厨区窗（铝合金中空玻璃窗）
	五金:	详见五金材料表
	数量:	1樘
